

Curriculum Vitae

Patrick C. Griffore, M.S.

Forensic Consultant

Professional Profile

Mr. Griffore is a Forensic Consultant with Focus Forensics LLC, specializing in field investigations, data collection, vehicle and scene documentation, electronic data retrieval, and inspections of vehicular and roadway systems. He has a strong background in quantitative analysis and data collection. Mr. Griffore holds B.S. and M.S. degrees, and has over 10 years of experience with project management, data collection and analysis, commercial trucking, construction management, and the study of human behavioral interaction with systems.

Mr. Griffore utilizes cutting edge technology to capture evidence and preserve electronic information, including FARO 3D laser scanning, Total Station laser mapping, Bosch CDR vehicle download system, commercial vehicle Engine Control Module (ECM) data extraction systems, unmanned aerial vehicle (UAV) mapping and imagery, speedometer inspection, forensic photography, photogrammetry, and traffic signal data documentation. Mr. Griffore has been trained in the identification and documentation of evidence related to all forms of transportation, including motor vehicles, tractor-trailers, work equipment, motorcycle, bicycles, pedestrians, and other modes of travel. He has experience in gathering and researching roadway related data such as traffic control devices, highway construction work zones, and roadside safety projects.
